CAUSE NOS. 42500-INDIANA UTILITY
42500-S1 and 42500-S2 REGULATORY COMMISSION

You are hereby notified that on this date the Presiding Officers in this Cause make the following Entry:

These Causes are currently scheduled for a status conference on September 2, 2004. In response to the Presiding Officers' request at the July 8, 2004 status conference in these Causes, the parties have submitted comments regarding their positions as to what, if any, issues survived the D.C. Circuit Court of Appeal's mandate to vacate significant portions of the Federal Communications Commission's ("FCC's") Triennial Review Order and should continue to be pursued in these Causes. In addition, on August 20, 2004, the FCC issued an interim rules order designed to ultimately replace the vacated rules in a manner consistent with the D.C. Circuit Court of Appeal's decision.

We are reviewing the parties' comments as well as the FCC's new interim rules order and anticipate issuing an Entry in the near future that determines what, if any, issues we should continue to pursue in these particular Causes. Therefore, we find it appropriate to continue the currently scheduled status conference to October 27, 2004, at 9:30 a.m. EST, in Room TC-10 of the Indiana Government Center South.

IT IS SO ORDERED.
